Parenting in the Age of Millennial Myths: Lies our kids are believing and how we can turn the tide.

Parents today face some of the toughest challenges in history in raising their young people. Sure, there are the obvious aspects like disrespect, cyber bullying, internet porn, gruesome horror movies, and first person shooter video games. But these are only symptoms of the real problem. Undergirding these changes in society are powerful world-views that threaten to continue the increasing coarseness that is shaping our society and transforming our kids.

Quay Hanna has been working with young people around the country since 1997 and has seen the power of these philosophies, but also the ways that these lies can be effectively combated. Quay's work is highly regarded by the PA Human Relations Commission, the PA Center for Safe Schools, and other organizations around the state. He has won the NCCJ Human Relations Award and the YWCA Child Abuse Prevention Award and his work has been featured in news outlets such as The Ed Norris Show, Forbes.com, and CNN. Come and hear Quay's unique perspective on the challenges facing parents today and strategies they can use to turn the tide.

Advent Conspiracy = SPICE Kids

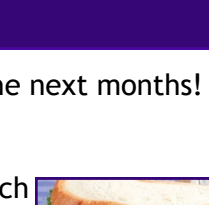

Last Christmas season we as a church participated in "Advent Conspiracy" which meant worshipping fully, spending less, giving more, and loving all. As a result of your giving as a church, we were able to sponsor three children through SPICE (Sponsorship Program for International Children's Education). You can visit the bulletin board in the café area at church to "meet" our new children: Rupi, Subash, and Nirmala. There are also prayer card/bookmarks available to help you to remember to pray for these children.

B-I-N-G-O

kidSPACE clubs ended with a BANG, or rather, a "BINGO", on April 21 as clubbers and their families had fun playing bingo, eating desserts, and winning great door prizes! Many thanks go out to all of our volunteers, parents, & kids for a wonderful year of clubs. *Have a safe summer!*

Picnic Time

Mark your calendar for two special picnic days coming up in the next months!

Cold Cut Sunday: June 13

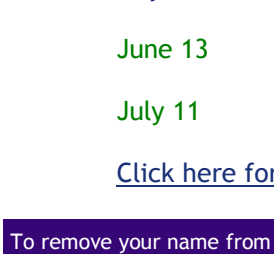

Pack your cooler and bring it with you when you come to church on June 13. We will plan to picnic together here at the church following the morning service. Feel free to bring blankets and lawn chairs. In case of rain, we will have an indoor picnic.

Baptism Celebration & Picnic: July 11, 10:30 a.m.

We will meet at Rohrer's Pond for a Baptism service, followed by a picnic lunch (provided). Bring blankets, lawn chairs, canopies. More details to come!

Greetings

Do you show up early for church and have nothing to do but wait? Do you have an enthusiasm for life that is contagious? Mix these two things together and you have the ingredients for an excellent greeter, and it just so happens that we are

in need of volunteers to serve one Sunday a month as a greeter at the lower level entrance to the church before the start of the morning service. If you are interested, please contact Eli Cox at 682-5809 or contact the church office & office@millersvillebic.org
