Millersville Memo

A Periodic Email Memo of the Millersville BIC Church

October 2009 First Edition

Impacting People... Changing Eternity

Fall 2009 Atlantic Conference Impact Dinners...

Over the past fifteen years, the Atlantic Conference has been a team of churches and individuals dedicated to sowing the seeds of God's kingdom in our communities.

The Impact Dinners give us an opportunity to celebrate lives that were transformed because together we seized the opportunities before us. At this year's dinners, we will look forward to plans for future church plants, as well as celebrate the work of the Internship program. Dedicated and passionate interns, like our own youth director, Todd Denlinger, are making an impact today as well as testing their call for the future and developing leadership skills.

There are three Impact Dinners being offered, so you may attend the one that is most convenient to you:

Oct. 23 at Pequea Church
Oct. 25 in Montgomeryville
Nov. 1 in Harrisburg.

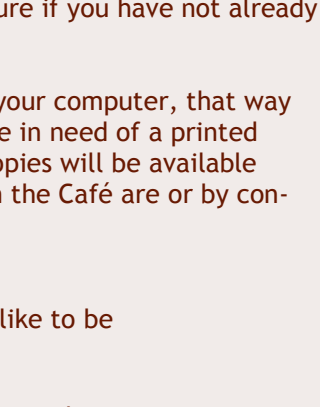

Each Impact Dinner will include a full complimentary dinner, followed by a time of worship, stories of life transformation, and information on the future of church planting and the internship program. Childcare is available at the Pequea and Harrisburg events.

[Register now by clicking here. Be sure to indicate which dinner you will attend.](#)

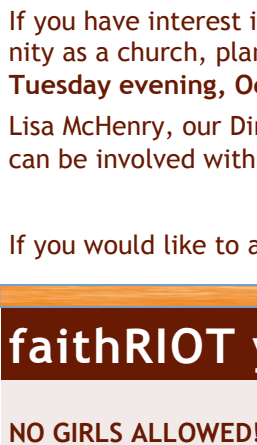

Going Greener

As we continue to try to be good stewards of the earth and resources with which we have been blessed, we will be attempting to go as "paperless" as possible here at church. Expect to see more and more information distributed electronically via website, email, or even texting; and, less and less paper cluttering your mailboxes here at church.

Most items will be available in print upon request by contacting the church office.

Keep In Touch!

An updated church directory, containing contact information for most of our regular attendees here at Millersville Church, is available electronically (as per "Going Greener" above) in either booklet form or full-page letter-sized form and you should be receiving a copy in your inbox in the very near future if you have not already received it.

You can save a copy of the directory on your computer, that way you'll always know where it is! If you are in need of a printed copy and are unable to print at home, copies will be available upon request at the Information booth in the Café are or by contacting the church office.

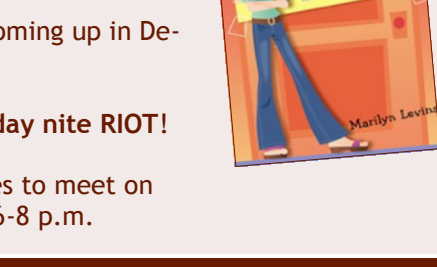

Please contact the church office if you:

- are not included in the directory and would like to be
- have updates or corrections to the directory
- need a printed copy of the directory
- are unable to open the file attached to your email
