## Stepping Out

### Henry & Lori...

So what are they doing now? Henry and Lori Thiesen, who were recently members of our faithRIOT youth leadership team, and worship team, left for "The Big Apple" on September 8. They are in the process of preparing to be leaders of a STEP team through Brethren In Christ World Missions. What is STEP? STEP stands for Service Training Evangelism Promoting Spiritual Growth and is a nine-month exploratory missions internship for young adults. Henry and Lori both participated in the STEP program five years ago, and are now returning as team leaders.

Henry and Lori will continue training with their team of five in NYC for two months, and then fly to Tegucigalpa, Honduras for five and a half months of outreach, returning to the U.S. in May 2010.

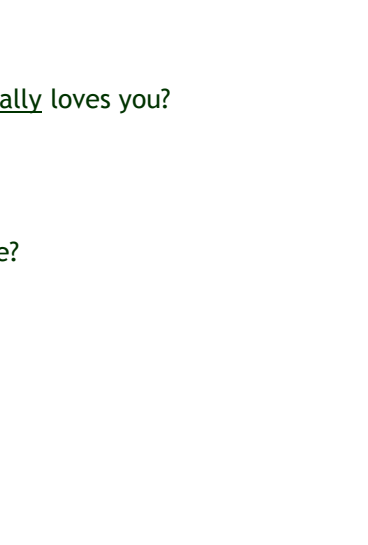

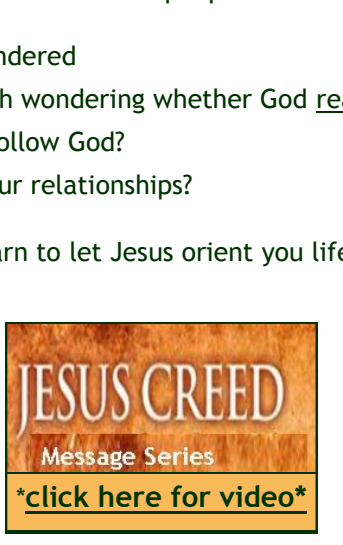

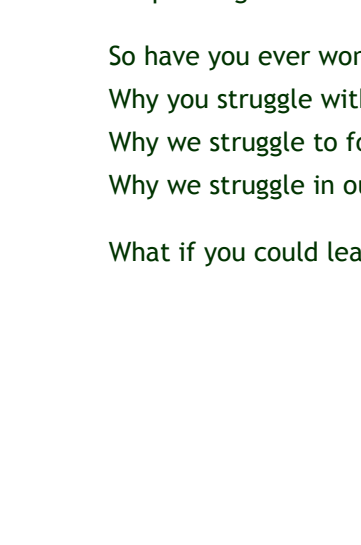

You can follow their updates as you pray for them by going to their blog at: [thiesens.blogspot.com](http://thiesens.blogspot.com)

## Ministry Expansion Progress Continues!

It's happening!!! After a summer of careful planning, the Ministry Expansion project is fully in motion. While the exterior work is obvious to see, the interior work is progressing rapidly as well with rough construction, electrical work, and rough plumbing work all scheduled to be completed very soon. As we look to the fall, our current timeline for total project completion is still the end of December. Pray for a smooth fall and the ability for costs to continue to come in under budget. Thanks to the Project team for a great job so far!
